

ST. OLAF TWP. GRAVEL BIDS

St. Olaf Township will accept bids for gravel 2500 cubic yards (more or less.) of crushed aggregate, meeting Class 5 aggregate specifications with a minimum of 5% passing the 200 sieves (clay percentage), production gradation will be required. St. Olaf reserves the right to reject any or all bids.

Bids must be placed by price per cubic yard which shall include placement of aggregate on designated road surfaces. St. Olaf will be responsible for leveling the placed aggregate and the contractor will be required to make a concentrated placement effort once the placement has started.

Bids are due on April 4, 2024 (township meeting). The placement must be completed by July 1, 2024. No Dust control can be placed until after the gravel has been placed. Please confirm with the Township supervisor.

Please send completed bids to Stacy Thormodson, PO Box 537, Dalton, MN 56324 or email clerkstolaf@gmail.com.
