

# REQUESTING QUOTES

The Districts of Ashby, Battle Lake and Underwood are requesting quotes for School Audit Services beginning with fiscal year 2025. These districts are very similar in composition and procedures, and all use Region 1 SmartFIN which allows the audit firm to do some of the work remotely prior to any field work. Interested audit firms please contact Elizabeth Klintworth at the Battle Lake School, 402 Summit Street West, Battle Lake MN 56515; 218-864-5217 ext. 104 to receive the RFP in detail. The deadline to submit proposals is January 17, 2025.
